

Test our AS-i PROFINET-Gateway – at the lowest price ever!

The switch from PROFIBUS to PROFINET is happening everywhere. With the [AS-i PROFINET Gateways](#) from Bihl+Wiedemann the changeover can be made not only simply, but also at surprisingly low cost. Now you can test our AS-i 3.0 PROFINET-Gateways in Stainless Steel for one AS-i network. You will receive, for example, an AS-i Power24V-capable Master with display for on-site diagnostics ([BWU2919](#)).

Fig.: The AS-i 3.0 PROFINET-Gateway, 1 AS-i network, 1 AS-i Master ([BWU2729](#)), also available with integrated decoupling ([BWU2919](#)).

AS-i 3.0 PROFINET-Gateways, 1 AS-i network, 1 AS-i Master

- Unbeatable price/performance ratio
